I'm waiting, I'm waiting for a sign. I'm waiting, I'm waiting for the right time, to show you how I feel, to openly reveal... I'm searching, I'm searching for those eyes. I'm searching for the soul, for I know it never lies. Would you hold me while you can? Would you hold me like you've held no other man..? So give me the strength to fight back. Give me the strength I need. Give me the heart of another man and I'll give you the love in me. I'm waiting, I'm waiting for a sign. I'm waiting, Waiting for the right time, To cradle and provide, to openly decide. So show me how you feel, Tell me that love is real... So give me the strength to fight back, Give me the strength I need. Give me the heart of another man and I'll give you the love in me. Give me the strength to fight back. Give me the strength to breathe. Give me the heart of another man and I'll give you the love in me... Just give me the strength to fight back, Give me the strength I need. Give me the heart of another man and I'll give you the love in me. Give me the strength to fight back, Give me the strength to breathe. Give me the heart of another man and I'll give you the love in me. So give me the heart of another man. Give me the heart of another man, Give me the heart of another man, And I'll give you the love in me.
