This weather reflects my face
Rainy day
This place hurts my eyes
I think i could break down and cry
I enter each day with a sigh
Its so hard to wake when there's nothing at stake

Today i think im gonna break
The hours drag on for what seems like days
And my thoughts wander
I guess I'll wait and I'll see it through
It was all so hard but than i got you
And my thoughts wander

Another day has slipped right by
Ive done nothing
Just watched her quiet
Im stuck in here for a while
Ill be a moment in your eyes
Well being here is so hard to bear

Today i think im gonna break
Cause the hours drag on for what seems like days
And my thoughts wander
I guess I'll wait and I'll see it through
It was all so hard but than i got you
And my thoughts wander

Da dada dada da
Da dada dada
Dadada
[x2]

Look at me with my fake smile
It feels so wrong
You got me im on your leash
Soon I'll be gone
[x2]

Today i think im gonna break
The hours drag on for what seems like days

And my thoughts wander
I guess I'll wait and I'll see it through
It was all so hard but than i got you
And my thoughts wander

This weather reflects my face
Rainy day
And this place hurts my eyes
