Drive, Drive, Yes,

You've got to watch the TV and count the passing cars,  
Dream inside a memory, dance amongst that stars,  
Laughing back tomorrow, choking back today,  
Time is movign forwards we are going the wrong way,  
What must I do?  
What must I say?  
Anything is possible, all things come your way,  
All thing will come your way...

Speeding past the daylight, heading into dawn,  
I cling to what I havne't got,  
Another life is born,  
I'm laughing in my sorrow,  
I'm choking back the air,  
Every time I see your face I realise I care,

So lay down your love and rest on me,  
Lay down your love so it rests on me,  
Lay down your love

Drive, laugh, I'm down on my knees, well you'll be the  
last..  
Laugh, cry, down on my knees, well I'll tell you why,

Something else is missing, what is going wrong?  
You said you would makit it stop, not let the game go  
on,  
I'm laughing in my sorrow, I'm choking back the air,  
Everytime I hear you cry I realise I care...

So lay down your love and rest on me,  
Lay down your love so it rests on me,  
Lay down your love..  
Lay down your love.

Do you wanna see me drive,  
Do you wanna see me laugh,  
Do you wanna see me down onmy knees,  
Well you'll be the last,  
Laugh, cry, down on my knees, well I'll tell you why,

Ooooh, ohhh,  
Ooooh, ohhh,

Oooh aahh, don't stop now,  
Oooh, aahh, don't stop now,  
Please don't let me down,

Oooh aahh, don't stop,  
Oooh, aahh, don't stop,  
Please don't let me down,  
Let me down, let me down,

Oooh aahh, don't stop,  
Oooh, aahh, don't stop,  
Please don't let me down,

Don't stop, don't stop,  
Please, don't let me drown,  
Don't let me drown,  
I can't swim without you,

Don't let me down,  
I won't let you down,  
I swear I won't let you down
