I'm on a guilt trip high and I'm not coming down for
anybody else
She's love sick, he's full of shit
I'm stuck thinking about what I'm gonna drink

So here's your slow song cause I know you've been
waiting
Just like a last call with the guy that your hanging on
I don't wanna know who's taking in you home
Or where your sleeping after last call

I'm on a bloodlust high and I'm not laying down for
anybody else
She's love drunk, while he's sobered up
I'm stuck thinking about who I've come to be

So here's your slow song cause I know you've been
waiting
Just like a last call with the guy that your hanging on
I don't wanna know who's taking in you home
Or where your sleeping

So here's your last stand and you get what you given
This is my last call to all that you thinking
I don't wanna know who's taking in you home
Or where your sleeping after last call

Well I never wanted to see that I can't trust you
And I never want to agree to how your living
How can I believe a thing you say when your lying with
him
How can I believe a thing you say when your calling me

So here's your slow song cause I know you've been
waiting
Just like a last call with the guy that your hanging on
I don't wanna know who's taking in you home
Or where your sleeping after last call
After last call after last call

I don't wanna know who's taking in you home

Or where your sleeping

So here's your last stand and you get what you given
This is my last call to all that you thinking
I don't wanna know who's taking in you home
Or where your sleeping after last call
After last call after last call
