All things want to be all

A picture perfect for everything small

We're all insects

Marching one by one army ants
You can't rely on.....

Sightless by the vision magnet

Seduction by the runaway Mindset.....
Artists Rejects

Over looking the obvious

Ill Star Idols

Born to be the leaders of a tragedy
You can't rely on.....

Sightless by the vision magnet

Seduction by the runaway Mindset

In the labyrinth we call home
Sightless by the vision magnet
Seduction by the runaway Mindset

In the labyrinth we call home
We Roam.....
You can't rely on the way things seem now

You can't go by what you feel right now
Sightless by the vision magnet

Seduction by the runaway Mindset

In the labyrinth we call home
Sightless by the vision magnet

Seduction by the runaway Mindset

In the labyrinth we call home
We Roam!
