Well it's about as useless as a screen door on a submarine
Faith without works, baby, it just ain't happening
One is your left hand, one is your right
It'll take two strong arms to hold on tight
Some folks will cut off their nose just to spite their face
But I think you need some works to show for your alleged faith

Well there's a difference, you know, between having faith and playing make believe
One will make you grow, the other one just make you sleep
Talk about it, but I really think you ought to
Take a leap off of the ship before you claim to walk on water
Faith without works is like a song you can't sing
It's about as useless as a screen door on a submarine

Faith comes from God from every word that He breathes
He lets us take it in our hearts so we can give it hands and feet
It's gotta be active if it's gonna stay alive
You gotta put it into practice, otherwise

It's about as useless as a screen door on a submarine
Faith without works, baby, it just ain't happening
One is your right hand, one is your left
It's your guide, your light, your life and your breath
Faith without works is like a song you can't sing
It's about as useless as a screen door on a submarine
Faith without works is like a song you can't sing
It's about as useless as a screen door on a submarine
