I'm not feeling myself this week
I'm scared to let them show that my eyes weak

It must be the drink
It must be the stars
I'll blame it on anything but us
Cause I don't cry
And you never had to try before
Yeah you nearly broke me down
With your messing around
You're nothing to me now
Nothing to me now

Someone buy me a drink
So I can drown all my senses
Cause life's better when I can't see your sorry face

It must be the drink
It must be the stars
I'll blame it on anything but us
Cause I dont cry
And you never had to try before
Yeah you nearly broke me down
With your messing around

You're nothing to me now
Nothing to me now

You're so overrated
Outdated
Deep down we knew we'd never make it
So I faked it
Oh I feigned it
Cause it felt like

Well did it feel right?

I can't wait
'Till you see me smiling again
Will it hurt you
That you're hurt too

It must be the drink
It must be the stars
I'll blame it on anything but us
Cause I don't cry
And you never had to try before
Yeah you nearly broke me down
With your messing around
You're nothing to me now
Nothing to me now

Nothing to me now
Nothing to me now
Nothing to me now
