"Peace In The Valley"

I'm tired and weary
But I must go along
Till the Lord comes to call me away, oh Lord

Well, the morning is bright
And the Lamb is the Light
And the night is as fair as the day

Oh, there will be peace in the valley for me, for me
There will be peace in the valley for me, oh Lord I pray
No more sadness, no more sadness, no more trouble
there'll be
There will be peace in the valley for me, for me

Well, the bear will be gentle
The wolf will be tame
And the lion shall lay down with the lamb, oh yes

And the [Incomprehensible] from the wild
Will be led by a child
I'll be changed from this creature that I am

Oh, there will be peace in the valley for me some day
There will be peace in the valley for me, I pray
No more sadness, no more sadness, no more trouble
there'll be
There will be peace in the valley for me, for me
