I ain't living

I'll say one last thing before I go
What I was doin' here you gotta know
I ain't living for tomorrow
Never been living for today

Though it sucks, we all try to work it out
It's unjust, but we all try to make it right (yeah)

I wish you could understand my ways
'Cos I usually find it hard, so hard to explain
Stood up and fought is what we should have done
Instead I kept on, singin' alone

Though it sucks, we all try to work it out
It's unjust, but we all try to make it right

When we reach the end of this song
Please sing along the last line with me
It's a wish I've had on the way to Maggie's farm
And in the end we wanna save today,
Yeah yeah yeah yeah yeah
Ahh ahh
Ooh ooh
Let's work it out
Let's make it right
Let's work it out
Yeah yeah yeah yeah yeah
Oh babyÂ...
