I'm lying here

I'm lying here by your side, I think I'm good to you.  
I don't know how you feel, but after all I feel love.

Will we still be together everyday? Will we still be lovers  
when you awake?  
Ask me to stay, and I promise, I'll be ok, alright. We'll  
make it everyday.

I'm lying here by your side, I think I'm good to you.  
You and I, through the storm, we'll be fine.  
I've been away, but now I know, I am back.

Will we still be together everyday? Will we still be lovers  
when you awake?  
Ask me to stay, and I promise, I'll be ok, alright. We'll  
make it everyday.

I'm lying here by your side, I think I'm good to you.  
What you heard, yesterday, isn't what I think.  
This thing you think I said isn't what I meant.

Will we still be together everyday? Will we still be lovers  
when you awake?  
Ask me to stay, and I promise, I'll be ok, alright. We'll  
make it everyday.

I'm lying here, I'm lying here...
