LONG SHOT

It's a long way to walk, and there's
Not much to look at
It's a long way to walk, and there's
Not much to see
It's a long way to walk, and there's just
Not that much to look at
It's a long way to walk, and there's just
Not that much to see

It's a whole lotta talk, and I'm
Not much to look at
It's a whole lotta talk, and I'm
Not much to see
It's a whole lotta talk, and these days
I'm just not that much to look at
It's a whole lotta talk, and these days I'm just
Not that much to see

And if I had some sidewalk chalk
I'd draw you something to look at
If I had some sidewalk chalk
I'd draw you something to see
If I had some sidewalk chalk
I'd draw you something nice to look at
And if I could just do that
Maybe you would look at me

Gimme some sidewalk chalk
