The Vault

I was there, one night,
So safe, by your side.
And we lost our souls,
With no doubt, without vault.
Then we'll stay together.
Then it'll be forever.

We walked down, to the park
Hand in hand, in the dark.
We could not see a thing
With our touch we would feel
The presence of love all around.
Silent night, sleep tight.

In the morning, awake
You turned, looked my way.
You decided to break
Our vow you went away.
Don't hesitate coming home
'Cos I will never be gone.
