All your sins are forgiven
In the name of Jesus in Heaven, ahh

There you stood with your soul in your hand
Thinking that God would understand
Satan take him to where you dwell
Satan take him to burn in hell

Always were a believer
You never thought of God as the Deceiver, ahh

There you stood with your soul in your hand
Thinking that God would understand
Satan take him to where you dwell
Satan take him to burn in hell

Burn in hell
Drown in my wishing well
Burn in hell
Drown in my wishing well

Where is your Jesus now?
Jesus in Heaven
Where is your savior of all?
He's executing your soul

Burn in hell
Drown in my wishing well

Jesus and Satan hand in hand
Leading you down the stairway to the damned
No more pearly gates for you
Eternal flames, wondering who is who, ahh

Burn in hell
Drown in my wishing well
Burn in hell
Drown in my wishing well

Where is your Jesus now?
Jesus in Heaven
Where is your savior of all?

He's executing your soul, yeah

Burn in hell
