"Eye Of The Witch"

It's so cold inside on this summer night
Black clouds in the sky dancing before my eyes
I'm losing track of time

It's the eye of the witch
It's the eye of the witch

Thunder bring the rain, penetrate my brain
I am no more the same
That special night has come again
Losing track of time

It's the eye of the witch
The eye..the eye..the eye

Another glass of wine to heat the blood of mine
And as I look inside the necklace called 'The Eye'
I'm going back in time

It's the eye of the witch
It's the eye of the witch

The eye..the eye..the eye
