I'm surrounded by darkness, I'm dying in my bed  
I don't know if I'm going to survive  
I open up my eyes but it's so hard to see  
My last rites

I don't believe in Heaven  
I don't believe in Hell  
So save your God for someone else  
Or save Him for yourself

In a flick of a second I think I saw a priest  
Listening to my breathing getting weaker all the time  
He's mumbling words, I do not understand  
My last rites

I don't believe in Heaven  
I don't believe in Hell  
So save your God for someone else  
Or save Him for yourself

Feeling colder, feeling low  
My blood still running but running slow

Oh no, I don't need no priest of yours, oh Christ  
I won't listen to another word from you  
Here I am dying and you act the fool

I wish you'd come a little closer  
So I can reach your cross and end your prayer here

I don't believe in Heaven  
I don't believe in Hell  
So save your God for someone else  
Or save Him for yourself
