Oh yeah, oh yeah  
Now hear my song

Sirens calling  
People leaving the streets  
The cops are coming  
I don't know what I did

Why don't you get away  
Leaving my soul alone  
Maybe another day  
You get a reason too

Why don't you get away  
Leaving my soul alone  
Maybe another day  
You get a reason too

Oh yeah, oh yeah

I'm running now, I'm running free  
They won't get me alive  
No one can see  
I did it to survive

Why don't you get away  
Leaving my soul alone  
Maybe another day  
You get a reason too

Why don't you get away  
Leaving my soul alone  
Maybe another day  
You get a reason too

Oh yeah, oh yeah  
This is what I did

I killed a friend  
For making love to my girl  
This is the end  
A bullet from my gun

Why don't you get away  
Leaving my soul alone  
Maybe another day  
You get a reason too

Why don't you get away  
Leaving my soul alone  
Maybe another day  
You get a reason too

I can't belong  
Kill
