Civilizations

**Great nations** 

Were never for ever

The Romans, the Greek

And the British

Were all overtaken

So beware

A weakened dollar

& Pseudo

**Economics** 

Cannot help any longer

You need a different man

To lead you today

To a world where

Dignity, freedom, equality

Belongs to every body

And the rest of the world

Is not treated

As a backyard

And to do this

You need somebody

Who gives respect

To take it back

In abundance

Someone who stands for the right

Not for the leftover

So America

Think it over

Why

Not

Try

Obama?
