Don't tell me that you're alright
With keeping me on the side
The last time you played for keeps
You left me out on the streets

Say what you want
Cus everybody knows
Just what you're not

Say it like you mean it (whisper it now)
Tell me I'm your favourite (scream it so loud)
Tell me all your secrets (I'll keep them to myself)
Say it like you mean it
I'm not the boy you want to tell your secrets to

And you can never get back
Just what you lost here tonight
You beg me,
You beg me to say that it's love

Say what you want
Cus everybody knows
Just what you're not

Say it like you mean it (whisper it now)
Tell me I'm your favourite (scream it so loud)
Tell me all your secrets (I'll keep them to myself)
Say it like you mean it
I'm not the boy you want to tell your secrets to

Say it like you mean it (whisper it now)
Tell me I'm your favourite (scream it so loud)
Tell me all your secrets (I'll keep them to myself)
Say it like you mean it
I'm not the boy you want to tell your secrets to

Say it like you mean it (whisper it now)
Tell me I'm your favourite (scream it so loud)
Tell me all your secrets (I'll keep them to myself)
Say it like you mean it
I'm not the boy you want to tell your secrets to
