Now it's hard and I've lost my friend  
Here I stand all over again  
And this last year I have tried to pretend  
That I'm fine, but it was the end

So I'm gonna stop and tell you how I feel  
Cuz' I'm not fine so here's the deal  
I'm so sorry cuz' we were so tight  
I did you wrong I didn't do you right

And now you wanna struggle and I don't wanna fight  
I miss you so much I can't sleep at night  
And now I'm here and I thinkin' of you  
And all this thoughts they feel like glue

And no matter what I do they won't go away  
It feels like this pain is here to stay  
But I'm telling you that I know it's wack  
And if you want I'll be right back  
To be your friend and one you can trust

But I'll understand if this what you must  
Tell me to leave and say good bye  
And if that's what you want I will not try  
Our memories just passing by  
And all this pain brings tears to my eyes

(Chours)  
Now I'm Lost  
Now I'm gone  
In my mind I'm writing you this song  
I just wanna feel you  
I just wanna see you  
(With this song do I make it worse?)

This I made for you and me  
We were two good friends that were meant to be  
And I gotta say it now before it's too late  
Cuz' I know you'll stay around  
But how much longer can I wait?

If you remember how it used to be

Then you gotta let this song  
Tell you what it meant for me  
Before you left you know I almost died

And I slept with your girl  
But I hope you can try to forget and forgive  
Cuz' when we fell apart I didn't wanna live  
(I didn't wanna live)

(Chours)  
Now I'm Lost  
Now I'm gone  
In my mind I'm writing you this song  
I just wanna feel you  
I just wanna see you

Now I'm Lost  
Now I'm gone  
In my mind I'm writing you this song  
I just wanna feel you  
I just wanna see you
