(Ray Thomas and Nicky James)

The lights go down the band prepares  
The scene is set we're here to sell our wares  
And we know that truth is an ever guiding light  
So we sing our songs each and every night  
Do you know can you feel it do you understand  
What it's like to be living in a rock 'n roll band  
Up and down the land on a one night stand  
Well I've sworn that I'd been in this place before  
Yes I wrote my name on the dressing room wall  
It was another band on a one night stand  
And it's all for the music  
Love is in the band  
And freedom we command  
On a one night stand  
(one night stand)  
(one night stand)  
And it's all for the music  
Love is in the band  
Freedom (freedom) we command  
On a one night stand  
The lights go down the band prepares  
The scene is set we're here to sell our wares  
And we know that truth is an ever guiding light  
So we sing our songs each and every night  
Do you know can you feel it do you understand  
What it's like to be living in a rock 'n roll band  
Up and down the land on a one night stand  
Well I've sworn that I'd been in this place before  
Yes I wrote my name on the dressing room wall  
It was another band on a one night stand  
(up and down the land on a one night stand)  
(up and down the land on a one night stand)  
Yes it's all for the music (up and down the land on a  
one night stand)  
Love is in the band (up and down the land on a one  
night stand)  
(up and down the land on a one night  
Stand)  
It's all for the music (up and down the land on a one  
night stand)  
Love is in the band (up and down the land on a one

night stand)  
(up and down the land on a one night  
Stand)  
Yes it's all for the music (up and down the land on a  
one night stand)
