(Ray Thomas and Nicky James)
My soul is willing to travel
I've got a song that's waiting to be sung
I've got a dream that needs to be answered
And my heart needs to belong
My hope is we can learn together
My dream is we can all belong
And my reason for loving doesn't matter
My hunger for life carries on
But we need love we need love we need love
My love song's a sad song
I sing it to say I'm sorry
Then maybe just maybe
You'll learn to love again my baby
So much time is spent in forgiving
So much time is lost in a lie
And the truth is sometimes never answered
I'm left to sit and wonder why
But we need love we need love we need love
Yes, we need love (love) we need love we need love
We need love
We need love
