

Mercy Me **"Finally Home"**

I'm gonna wrap my arms around my daddy's neck and
tell him that I've missed him and tell him
all about the man that I became and hope that it
pleased him there's so much I want to say
there's so much I want you to know.

[chorus]

When I finally make it home when I finally make it
home.

Then I'll gaze upon the throne of the King frozen in my
steps and all the questions that I
swore I would ask words just won't come yet so
amazed at what I've seen so much more than this
old mind can hold. [back to chorus]

And the sweetest sound my ears have yet to hear
voices on angels. [back to chorus]
