I look around, inside these four walls
And I can see this is not my home
Can you hear it now, from inside these stone walls?
My heart cries out, I'm not where I belong

No matter what they do
My heart belongs to you
I'm free
Oh the hands that hold the world have set me free
He has broken every chain
So I lift my hands up to the One who saves

Take me captive, you can lock me away
But my debt is already payed
Take me prisoner, but I will not fear
'Cause my deliverer is already here

No matter what they do
My heart belongs to you
I'm free
Oh the hands that hold the world have set me free
He has broken every chain
So I lift my hands up to the One who saves

This world can have its way
Nothing can stop Your glory
What may become of me
I'll over come

Because I'm free
Oh the hands that hold the world have set me free
He has broken every chain
So I lift my hands up to the One who saves
And I lift my hands up to the One who saves

And I am free
Oh these chains won't hold me
And I am free
