On the other side of the world  
She stands on the ocean shore  
Gazing at the heavens she wonders  
Is there something more  
Never been told the name of Jesus  
She turns and walks away  
What a shame

Just across the street in your hometown  
Leaving for his nine to five  
Gazing down the road he wonders  
Is this all there is to life  
Never been told the name of Jesus  
He turns and walks away  
What a shame

[chorus]  
Whom shall i send  
Who will go for me  
To the ends of the earth  
Who will rise up for the king  
Here am I send me  
Here am I send me

Wether forein land or neibor  
Everyone's the same  
Searching for the answers  
That lie within your name  
I want to proclaim the name of Jesus  
In all I do and say  
Unashamed

[chorus]

How beautiful are the feet of those who bring good  
news  
Proclaiming peace and your salvation

[chorus]
