When the music fades
and all is stripped away
and i simply come,
longing just to bring
something thats of worth
that will bless your heart

[CHORUS]

Ill bring you more than a song
for a song in itself is not what you have required
you search much deeper within
through the way things appear
your looking into my heart

Im coming back to the heart of worship
when its all about you its all about you jesus
im sorry lord for the thing iv'e made it
when its all about you its all about you jesus
King of endless worth
noone can express
how much you deserve
though im weak and poor
all i have is yours
every single breath

[CHORUS]

Ill bring you more than a song
for a song in itself is not what you have required
you search much deeper within
through the way things appear
your looking into my heart

Im coming back to the heart of worship
when its all about you its all about you jesus
im sorry lord for the thing iv'e made it
when its all about you its all about you jesus
