I, I keep on seeing people as a way out
If you got good hair or not
But I just wanna be good at it
But I can't do it and you can't do it and we can't do it
So we all say

I wanna talk about what I wanna talk about
I wanna talk about what I wanna talk about
I wanna talk about I wanna talk but I wanna talk
Shake it shake it

Oh, that's such a nice dress
I love what you've done with your hair
It's so exciting that I just want to be good at it
But I can't do it and you can't do it and we can't do it
So we all say
I wanna talk about what I wanna talk about
I wanna talk about what I wanna talk about
I wanna talk about I wanna talk but I wanna talk
Shake it shake it yeah yeah no

Now should I start the car got an auto loan
Faces I have seen but I never wanted it
And you will say, "oh, she's so crazy!"
But I never was

I wanna talk (oh not again) about what I wanna talk
about (oh not again)
I wanna talk (oh not again) about what I wanna talk
about you
I wanna talk about (oh not again) I wanna talk (oh not
again) but I wanna talk (oh not again)
Shake it shake it yeah yeah no

I, I keep on seeing people as a way out
If you got good hair or not
But I just wanna be good at it
But I can't do it and you can't do it and we can't do it
So we all say

I wanna talk (oh not again) about what I wanna talk
about (oh not again)

I wanna talk (oh not again) about what I wanna talk
about you
I wanna talk about (oh not again) I wanna talk (oh not
again) but I wanna talk (oh not again)
Shake it shake it yeah yeah no
