### Verse 1:

The times you whispered to me  
I'm so glad you're mine.  
Proved how favored I was  
To have the stars shine aligned.  
And I need you to know  
My affections grows  
And I promised you my devotion's true

### Verse 2:

The gentle thought of your voice  
Turned sorrow to joy.  
That sweet giggle of yours  
Stirred the deepest part of my soul.  
In search for a pearl as perfect as you  
I journeyed away  
But sudden showers has cast my sail astray

### Chorus:

And I can't find my way  
I'm lost in yesterday's cold april rain.  
Help me find back my way  
I'm lost in yesterday's cold april rain.

### Verse 3:

So I sing out the words  
To the songs that we shared  
(Can you make out these words)  
It's all I do to keep holding onto my home  
(And after all this time)  
When maybe one day, the tears clear  
I'll find you again.  
I wonder where you'll be, I'll redeem this piece of you,  
you've left, in me.

### Bridge:

Will you hold me close beyond these waterfalls out  
here (when the grayness disappears)

### Chorus:

But I uncloset my eyes, I'm lost in yesterday's april rain.  
Help me find back my way

I'm lost in yesterday's cold april rain.  
And I can't find my way  
Lost in yesterday's cold april rain.  
Help me find back my way  
Lost in yesterday's cold april rain
