Verse 1:

Tonight I won't see you  
I'll be somewhere far away  
Don't wait up  
Don't bother  
'Cause we will meet again someday

Chorus:

Now that we've run out of time  
In the cold month of July  
We'll try our best to go our separate ways

Verse 2:

In dreams I would hold you  
A kiss on every inch of you  
And drop to my knees and  
Whisper that I love you too

Chorus:

Now that we've run out of time  
In the cold month of July  
We'll try our best to go our separate ways

Bridge:

Same time, same place, my dreams tonight  
Tonight

Verse 3:

Now I can't forget you  
I guess you don't really care  
I'll away remember  
The suffocating summer air

Chorus:

Now that we've run out of time  
In the cold month of July  
We'll try our best to go our separate

Try our best to go our separate  
Try our best to go our separate ways  
To go our separate ways (yeah)  
To go our separate ways (yeah)
