Baby's back, dressed in black  
Silver buttons all down her back  
High, low, tipsy toe  
She broke a needle and she can't sew

Walkin' the dog, just walkin' her dog  
If you don't know how to do it  
I'll show you how to walk the dog

Asked the fellow for fifteen cents  
See the fellow, he jumped the fence  
Jumped so high, he touched the sky  
Never got back till the fourth of July

Walkin' the dog, just walkin' her dog  
If you don't know how to do it  
I'll show you how to walk the dog
