Oh, the rain is falling Blow, blow, down

And the whirlwind rolls Blow, blow, down

I'll shake your windows Blow, blow, down

And rattle your door Blow, blow, down

Blow down this house of cards

Blow down this house of cards

They're washing the streets Blow, blow, down

With the blood of your kind Blow, blow, down

Ah, look over your shoulder Blow, blow, down

They're right behind Blow, blow, down

Blow down this house of cards

Blow down this house of cards

The birds are wheeling Blow, blow, down

Up above your head Blow, blow, down

All your days are numbered Blow, blow, down

You're as good as dead Blow, blow, down

Blow down this house of cards

Blow down this house of cards

This very fine house Blow, blow, down

Of great renown Blow, blow, down

It's cracked and shaky Blow, blow, down

And a-tumbling down Blow, blow, down

Blow down this house of cards

Blow down this house of cards

Blow down this house of cards

Blow down this house of cards
