Jet plane in a rocking chair
Roller coaster roll nowhere
Deaf and dumb ?or dance it there?
I'll change this heart of mine
This time, this time
Sea cruise in a diving bell
Run a mile in a wishing well
?Soft soap? and nothing to sell
I'll change this heart of mine
This time, this time
Here comes the real thing
I've been waiting for so long, for so long
I've been looking for a love like you
Crossed line on a telephone
Crossed lies on a . . .
Crossed fingers and head for home
I'll change this heart of mine
This time, this time
They sink in a feather bed
?Got cool when you're stoned and dead?
I'm a fool with a size one head

I'll change this heart of mine

This time, this time

Here comes the real thing

I've been waiting for so long, for so long

I've been looking for a love like you

Jet plane in a rocking chair

Roller coaster roll nowhere

Deaf and dumb ?or dance it there?

I'll change this heart of mine

This time, this time

This time, this time

This time, this time
