In Sunnyvista, all your dreams are reality

It's the smart place to be for all the family

Oh, Sunnyvista, where you always wanted to stay

We'll dance the happy hours away

Now the work is very clean

You'll be helped by this machine

And the hours are very short, more time at home with
the little dears

All the houses are the same

It's a standard we maintain

Any problems, please report 'em, we will soon allay
your fears

It's a smashing place for kids

You really are well rid

They'll be off your hands all day, in the camps they'll
play and play

For kids of other ages

Yes, dad and grandad too

The leisuretime facilities will keep them smiling
through

In Sunnyvista, all your dreams are reality

It's the smart place to be for all the family

Oh, Sunnyvista, where you always wanted to stay

We'll dance the happy hours away

Oh, the old folks will love it

Our staff are very kind

There's community singing, helps to stimulate the
mind

The cemetery is most discreet

All done without a fuss

For all life's little grievances, just leave it all to us

Oh, there's parks and there's bingo

There's contests and there's games

And everybody's friendly 'cause we're all just the same

There's chances for promotion

For the right kind of chap

Who's smart and keen and go-ahead, we'll put him on
the map

Oh, Sunnyvista, where you always wanted to stay

We'll dance the happy hours away

We'll dance the happy hours away
