The System lied; the Vision blind
Your Vision of Controlling the Chaos
Of the Souls survived
Torturing, Torment
Goes on in their lives
Revolt, Oppression
Lives on in their Minds
Bodies in Torment
Scream out in their Pain
Twisted and Tortured
From a mind that is deranged
They are enslaved
The Revolt begun
Exposure of brain
Cannibalistic slaughter
Of the Insane
Factory of Pain
Erupting in flames
The bodies are burning
Screaming in pain
Consuming masses
No way to escape
The burning bodies
Like maggots they rape
Attacking the doctor
Creator of pain
The body of their master
Consumed by their hate
Destroying the Pain
The System lied; the vision blind
Your vision of controlling the Chaos
Of their souls
Has Died.
