Father forgive me
I've sinned in life
Cross of forgiveness
Shows me no signs

Savior on a cross of emptiness

Betrayal of mother
The souls that have died
Drowning in torment
In a sea of blood red lies

Savior on a cross of emptiness

Master and leader
Race of the blind
Mutant believers
Erase all mankind

Savior on a cross of emptiness

Father forgive me
I've sinned in life
Cross of forgiveness
Shows me no signs

Barer of unholy cross
Bringer of thy punishment
Preach your own folosophy
Slay thy children set them free

Sewing their fate
A life enslaved
Breeding so fast
Messiah now laughs

Preacher of unholy terms
Suffer their embellishment
Inside thy own coffin breathe
Die with you thy power and greed

Holy my ways

Messiah inflamed
Race of the damned
Suffer their past

Father forgive me
I've sinned in life
Cross of forgiveness
Has shown me the sign
