Study the weak of mind
Victims of mankind
Breeding injecting veins
Seeding the future slain
Legions of disgrace
Victims without a face
Feeling their bodies rot
Suffer they pay the cost

Probing internal pain
Leaving their bodies lame
Leaking toxic death
Butchered corrupted flesh
Bleeding through open chest
Study the rotting mess
Enter the world of pain
Masters of faceless game

Flatline

Seeding gashes
Killing masses
Studies madness
Victims lifeless

See internal horrors
Victims exposed organs
Carry on the testing
Breeding and infecting
Existence just for slaughter
Extinction is the order
Scientific weapons
Used at mans discretion

Study the weak of mind
Victims of mankind
Breeding injecting veins
Seeding the future slain
Legions of disgrace
Victims without a face
Feeling their bodies rot
Suffer they pay the cost
