"Into The Light"

Imperial world decay
Paganistic ritual play
Christianity left for prey
Release the lions cage

They play the game

Masters watching gods at play
Man and beast in a violent game
The arena is blood stained
Paint the walls with Christian pain

They die today

Captured souls of Christ domain
Extermination of their ways
Pagan gods sacrificial blade
Burn the church of which they prey

Gods enraged
Fires a blaze
Dark majesty
Eternally

Follow into the light
The fires burn so bright
Scorn the enemy entity of Christ
Christianity is to blame
Victim will be slain genocidal rage

Into the light

Your worlds a lie
Time to die
Sacrifice to god this Christian
Taste my blade
Fire my rage
And I will bring you into the light

Romanistic religion
Feed the gods of tradition
Dark lords of aggression

Have sown the seeds of obsession

Cannibalistic tradition

Bring the gods to our perception

Gods will bring our prediction

Spawn of Baal will awaken
