Infliction
Preparation
Envision your meeting with Ra
They drug to wrap you
Bound up wake up screaming
The altar is awaiting
Prepare for the Iron Hook Purification
Embrace the pain, Liquefy the brain
With Iron Hook
Breaking of the law brings rapture of thy
Cranium broken, Iron hook purifies your mind
Probing with red hot precision
Iron hook now rapes your system
Your butchery engages laughter
Catatonic state of mind they're after
Liquify your mind
