Lord of dark leader,
Victims of the pride
Pledge Allegiance to
Legions of the pride
Unjust deceiver
Sacrificial life
To feed the anger
Legions of the pride

Soul sacrifice
Victims to die
Blood on the knife

Legions of the pride Following the lie

Soul sacrifice
Victims to die
Blood on the knife
Speaks for us all

The blood that's spilled will raise the fire
Legions intrigued with their desire
Sacrificial blasphemy
Pour the blood of their own seed

The Pride

The blood that's spilled will raise the fire
Legions intrigued with their desire
Sacrificial blasphemy
Pour the blood of their own seed

Lord of dark leader,
Victims of the pride
Pledge Allegiance
Legions of the pride
Unjust deceiver
Sacrificial life
To feed the anger
Legions of the pride

Soul sacrifice

Victims to die

Suffer...the legions of the pride
