Constructor Of Chaos

As the deadly vengeance smells blood
Only strong and dominant infliction
Feel supremacy calling no
As psychotic humans commit - suicied

Constructor Of Chaos
Leave this world in sin
Constructor Of Chaos
Let nocturnal warlust win

Abhorrently extorted on the wings of death
Mutilate - Mutilate - Mutilate
Mutilated in vain

Warpaing rage, teh insisable drug
Isert slavery, inhale the gas
Lock them up in chambers
And start the rain of death
