Mark Of Wrath

Impending domination
Horrific prophecies, mark of wrath
Wrath of diabolical laceration

Euphoric lucidity
Vitality of perversion
Riding towards darkness
Rape the holy feast

Worship 666 - Mark Of Wrath
Torment 666 - Mark Of Wrath
Suffer 666 - Mark Of Wrath
Supreme 666 - Mark Of Wrath

Defile the forbidden visions
Towards the mournful apocalypse
Upon infinity supermacy
Consume the mark of wrath
Destroy the bastard son
Thy righteousness will fail
