Let's sneak away to the beach house,
Sand beneath our feet now.
No one is ever gonna know.
We'll blow our money like we're in Reno.

We'll stay awake 'til the sunrise,
Songs about the summertime.
Kiss the moon under the sea.
Live in the moment loving times like these.

We're screaming, hey, hey, hey.
I wanna get carried away-ay-ay.
You know we'll wake up tomorrow,
Start talking about yesterday, yesterday.

Three cheers for the good vibrations.
Journey blowin' up the FM station.
Senoritas wanna go all night,
I think it's time we lost control.
It's all we've ever known.

A sailor stumbles with his new bride,
Buzzing like a house fly.
He tells us stories of his life.
We laugh out loud until it makes us cry.

Petty playing in the background,
Singing, "I won't back down".
You know he never lost his touch.
Man, that night, it was such a rush.

We're screaming, hey, hey, hey.
I wanna get carried away-ay-ay.
You know we'll wake up tomorrow,
Start talking about yesterday, yesterday.

Three cheers for the good vibrations.
Journey blowin' up the FM station.
Senoritas wanna go all night,
I think it's time we lost control.

Back home it rains all day,

We had to get away.
'Cause I know sometimes we need a little change of
pace.
Yeah, you know sometimes life gets in the way.

Three cheers for the good vibrations.
Journey blowin' up the FM station.
Senoritas wanna go all night,
I think it's time we lost control.
It's all we've ever known.

Three cheers for the good vibrations.
Journey blowin' up the FM station.
Senoritas wanna go all night,
I think it's time we lost control.
It's all we've ever known.

Three cheers for the good vibrations.
Mercy blowin' up the FM station.
Senoritas wanna go all night,
I think it's time we lost control.
It's all we've ever known.
