I have seen him there
Master of light, master of the night
Master of all the things that shine

Chorus:

Oh I believe...

I believe in all that I have seen
And I have seen the angel of light
I have seen the angel of light... lucifer

I have seen him there
Deep down where the devils dwell
Deep down in the darkest well

Chorus

Solo: s

I will make a second deal with the prince of light
Never will break the oath I gave that night

Solo: d

Shine in all your glory, shine your light on me

I have seen him there
Deep down where the devils dwell
Deep down in the darkest well

Chorus
