(Music & lyrics by King Diamond)
When the darkness eats away the
Day
And the moon bears witness to the
Graves
In the shadows we are alive
In the shadows, The Light
Can you see the ghosts above our
Heads?
We are all in there with the dead
In the shadows we are alive
In the shadows, The Light
Solo: Shermann
In the darkness there is no holding
Back
There is no gold in black
Deep in the night
Everything is clear
Clearer than daylight
In the land of mystery we share
You can come along if you dare
In the shadows we are alive
In the shadows, The Light
Solo: Denner
We are hiding in the shadows on
Your wall
We are watching as you kiss your
Little doll
When the darkness leaves the night
We cannot see The Light no more
No more
We are always in the shadows by
Your door
But when the darkness leaves the night
We cannot see The Light no more
No more
There is no holding back
There is no gold in black
Deep in the night
Everything is clear
Clearer than daylight

Solo: Denner
Solo: Shermann
