"You know thatâ€¦ okayâ€¦"

You give your hand to me

"That Ray Charles tune"

And then you say hello
And I can hardly speak
My heart is beating so
And anyone can tell
You think you know me well
Well, you don't know me

No, you don't know the one
Who dreams of you at night
And longs to kiss your lips
And longs to hold you tight
To you I'm just a friend
That's all I've ever been
But, you don't know me

"I Din'd know the bridge"

Afraid and shy, I let my chance go by
A chance that you might love me too

You give your hand to me
then you say goodbye
I watch you walk away
All I can do is cry.
No one will ever know
the one who loves you so
No, you don't know me
