This blood on my hands is burning  
This blood on my hands is burning  
This blood on my hands is burning  
I must escape my sin

The weight is crushing  
The heat is scorching  
God save me from this living hell  
Lift my burden  
Wash my hands  
Save the soul of a broken man

Your blood on my hands is healing  
Your blood on my hands is healing  
Your blood on my hands is healing  
I shall embrace you

The weight is crushing  
The heat is scorching  
God save me from this living hell  
Lift my burden  
Wash my hands  
Save me from this painful sin

Your light upon me is holy  
Your light upon me is holy  
Your light upon me is holy  
I am yours lead me now
