So here I am at the end of all times

Awaiting for the sign

Now I'm alone no place to hide

Not even inside, me or you

But there's no fear

Though I'm blind

Feeling the wind

Passing by

Flying

Winds have made their call

Silence

Before the Storm

I've got to fight against the one

Who says he is the real me

I hear it's voice

I've found the light

It is my spirit

Over my mind
