The day of mourning
The wind which brings misfortune
The children of vengeance
The sons of vengeance
The messengers of loss
The ravagers of Ni-Ki-Gal

The doom which ravages the earth
The seven gods of the vast heavens
The seven gods of the igneous spheres

Phantoms of the flames
In the heavens seven
On the earth seven
The wicked Alal
The demon Nergal

The doom which ravages the earth
The seven gods of the vast heavens
The seven gods of the igneous spheres

The wicked Alal
The demon Nergal
I summon your glory
For destruction and pain

The wicked Alal
The demon Nergal
I summon your glory
For destruction and pain

The day of mourning
The wind which brings misfortune
The children of vengeance
The sons of vengeance
The messengers of loss
The ravagers of Ni-Ki-Gal

Phantoms of the flames
In the heavens seven
On the earth seven
The wicked Alal

The demon Nergal

The wicked Alal
The demon Nergal
I summon your glory
For destruction and pain

The wicked Alal
The demon Nergal
I summon your glory
For destruction and pain

The wicked Alal
The demon Nergal
I summon your glory
For destruction and pain

I summon your glory
For destruction and pain
