

Thou Art Lord "Behind The Druid Walls"

Dust, sacred blood
Dissolving into the earth
Rebirth from suffering
Circle of the insane
Ancient Druid cults
Hellpath to freedom
Molecular explosion
Spirit of earth aflame

Carved in blood, straight to Hell

The pentagram gate
Carved in blood
The asylum walls
Became their soultrap
Flesh will set them free
Sacrifice and pain
Subterranean wrath
Routes straight to Hell

Carved in blood, straight to Hell

Behind the Druid walls
Breathing the dust
Inside the druid walls
We are legion

Cursed entrapped
Alive but dead
Light up the paths
On demon's speed
A thousand cries
A thousand souls
Criminally insane
We are free

Carved in blood

Breathing the dust
Sacrifice and pain
Subterranean wrath
Routes straight to Hell

A thousand cries
A thousand souls
Criminally insane
We are free

Straight to Hell

Behind the Druid walls
Breathing the dust
Inside the druid walls
We are legion

Carved in blood, Druid cults
Straight to Hell, we are free

Dust, sacred blood
Dissolving into the earth
Rebirth from suffering
Circle of the insane

Carved in blood

A thousand cries
A thousand souls
Criminally insane
We are free

Carved in blood, straight to Hell

Behind the Druid walls
Breathing the dust
Inside the druid walls
We are legion
