The countless days and nights she prayed  
An astral call made out of lust  
Her body in heat, her lorns aflame  
Feverish dreams, desire of sin  
She bathed herself in Venus' tears  
Painted her markings on her skin  
Through heathen charms and ancient spells  
Her passion found it's way to Hell

The Demon Lord has felt her heat  
Her summoning has reached the Sin

Deep in his twilight kingdom  
He spread his wings against the nightdom

He found her draped in altar cloth  
She spread her legs and bared her breasts  
Luscious wet lips, heart beating fast  
Waiting his deviant demon touch  
He found her draped in altar cloth  
She spread her legs and bared her breasts  
Luscious wet lips, heart beating fast  
Waiting his deviant demon touch

He entered her in delirium state  
Twisting like serpent, slippery and wet  
He made her cum a thousaint times  
And filled her womb with devil seed  
And then she fell in a deep sleep  
Exhausted from this lucid dream  
And just before the crack of dawn  
He spread his wings against the night sky

The Demon Lord has felt her heat  
Her summoning has reached the Sin  
Deep in his twilight kingdom  
He spread his wings against the nightdom  
The Demon Lord has felt her heat  
Her summoning has reached the Sin  
Deep in his twilight kingdom  
He spread his wings against the nightdom  
The Demon Lord has felt her heat

Her summoning has reached the Sin  
Deep in his twilight kingdom  
He spread his wings against the nightdom  
The Demon Lord has felt her heat  
Her summoning has reached the Sin  
Deep in his twilight kingdom  
He spread his wings against the nightdom
