Devoted to black arts
From primal dawn of time
The unseen masters of the world
Immortal lords of magic
Hidden in the caves of Ur
Sworn to serve the gods of night
Linked to our world

Preparing the human herb
Surrounded by the candlelight
Studying in sacred silence
Knowing the truths from beyond
Learnt in the depths of abyss
Before the idol of Tiamat
The great vampire goddess
Holding the trapezohedron
Receiving the codes of darkness
Disciples of black sorcery
Emperors of gaia...
